Arts Appreciation

Next Outing

Wednesday 20 January, Dep 10.00 am

We are going to visit the studio of Walenty Pytel, the Polish sculptor whose metal sculptures have contributed so much to Herefordshire's artwork. After the visit, you will realise how much of his work is around us.

The cost is £12, inc. tea and cake, we will car share and give £5 per person to the driver. Probably a pub lunch after.

We have 20 places. To book (mentioning carsharing needs or offers) email Sue@suemoller.com
